LODGE MAUI, No. 984, A. F. & A. M.

Stated meetings will be held at
Masonic Hall, Kahului, on the Satur-
day night of each month nearest the
full moon, at 7.30 P. M.
SPECIAL MEETING on the
STATED meeting April 27th.
Visiting brethren are cordially in-
vited to attend.

D. H. CASE, R. W. M.
BENJAMIN WILLIAMS,
t. f. Secretary.

It has become a common saying in
Wailuku and other parts of Maui:

If you can not get what you want
in any other store go to the Maui
Drug Store they carry everything.

While this statement is as true as
it is flattering we would respectfully
suggest that our friends and patrons
come to us first, thus saving them-
selves the trouble of running from
store to store without getting what
they want.

SUPERVISORS MONTHLY MEETING

Turn Down Sheriffs Appointment of Hack Inspec-
tor--Expect Engine for Rock Crusher
Soon.--Supervisor Kaiue Ill.

KAHULUIS ARE THE WINNERS.

Play Fast Game of Baseball--Lahainas no Match for the Port
Team--Evangelical Churches Semi Annual Meeting--
No Change in Pastorates.

SUPERVISORS MEETING.

The County Supervisors held
their monthly meeting beginning
Wednesday of this week.

All of the Supervisor were pre-
sent except S. E. Kaiue who is still
ill at his home and unable to at-
tend the meetings.

After the reading of the minutes
which were approved communica-
tions were read. A letter from The
Von Hann Young Company was
to the effect that they had fully
expected the arrival of the gasoline
engine ordered last fall months ago
and that they had again cabled
the manufacturers to rush the ship-
ment of the same. They believe
the engine will be here soon.

The Clerk was instructed to
write C. B. Wells for the return of
the rock crusher. The same is to
be delivered as soon as possible.

A letter from the Superintendent
of the Leahi home stated that one
of the incurables sent down had
died, one had returned to Maui
and one, Harry Miller, was still in
the home.

A letter was read from the
County Engineer to L. Von Tem-
sky, manager of the Haleakala
Ranch, calling his attention to the
fact that the fencing of the old
road was in violation of law and
that the opening of the new road
there by him was illegal until au-
thorized by the county board. The
letter stated that Mr. H. A. Bald-
win had gone over the road with
the County Engineer and acknowl-
edged the reasonableness of the
position of the County Engineer
and that he had ordered the fences
on the lands of the Maui Agricul-
tural Company moved back to the
width asked for by the County
Engineer. The tone of the letter
written by Mr. Von Temsky in-
dicated the desire on his part to
arrange amicably with the County
Board so that the interests of the
public would be protected as well
as the interests of the ranch.

The report of the County At-
torney was read in which he dwelt
on the work done by his office dur-
ing the month. Much of the at-
torneys time was occupied during
the month in Circuit Court work
during the time succeeded in
bringing about the conviction of
several persons charged with serious
crimes. One of these was that of
Meleana Kaipalaoa who plead
guilty to charge of perjury. An-
other was that of John Rodriguez
who plead guilty to the charge of
burglary and was sentenced to five
years imprisonment at hard labor.

The report called the attention of
the board to the fact that the legis-
lature had passed a law making it
obligatory to pay all income taxes
in the county where the principal
property of the tax payer was sit-
uated.

The report of the Sheriff was
read and placed on file.

He reported the conduct of the
police as being good. He had sus-
pended two officers, John Brown
Jr. and Paikaka for being drunk
while on duty but had reinstated
both. David Taylor was dismissed
from the force on account of being
implicated in a forgery case and
has since been bound over to ap-
pear before the next grand jury.

His report spoke highly of the
work being done by Peruvia Good-
ness who is acting as hack inspec-
tor by direction of the sheriff and
asked for his appointment by the
Board as such officer for the Wailu-
ku District. No action was taken
at the time by the Board as
they appointed George Weight to
the position some months ago and
he is still holding that office. The
report dealt with the existence of
gambling houses in town run by
Chinese and Japanese and recom-
mended the appointment of specials
among that race for the purpose of
putting a stop to the gambling.
The games are Che Fa.

The Sheriff recommended a re-
gulation by the Board requiring
all hacks in the towns of Wailuku
and Kahului to be required to re-
main in certain designated places
for all hacks when not carrying
passengers instead of blocking the
streets as is the custom now.

The report of Hack and Sanitary
officer George Weight was read and
placed on file. The reports of the
Sanitary officers of Makawao and
Lahaina, were read and placed on
file. The Board adjourned for the
day until Thursday morning at 9
A. M.

Kahakuina put in a claim at the
last meeting of the Board for \$50.00
damages for the use of a little strip
of his land used by the public since
the washout of Waikina bridge in
getting across the stream there.

County Engineer Howell got the
parties interested in the land to
give a permanent right of way for
the sum of \$20.00.

The matter of an odorless ex-
cavator for the use of Wailuku was
discussed and the Supervisors were

united in their stand that it is un-
fair to the tax payers to have the
excavators paid for by the territory
and then turn all of them over to
the County or Oahu that are not
required by the Board of Health
that that County may use them
free of charge for street sprinkling
purposes when they are needed in
other localities than Honolulu.

In the matter of the appoint-
ment of a hack inspector for the
Wailuku District the Board dis-
approved of the appointment of
Peruvia Goodness by the Sheriff as
no separate appropriation had been
made by the Board for such a pur-
pose. While it is true that Sanitary
officer George Weight has per-
formed the duties of that office
it is not as a separate office but his
duties are principally that of Sanitary
officer and Fish inspector
while he performs the Hack inspec-
tors duties free of charge. This
would seem to preclude the right
of the Sheriffs appointee to claim
county pay as no appropriation
has been made by the Supervisors
for that purpose. The question of
the fitness of Goodness for the po-
sition has never been questioned.
He is an active man and would
doubtless make a good officer for
that or any one of a number of
other offices.

A letter was received from E. H.
Hart and W. A. McKay asking
that a light be provided at the
corner of High and Vineyard
streets. The matter was referred
to Road overseer Sommerfeld as he
has the authority to put up lights
where he may think proper.

KAHULUIS WALK OVER LAHAINAS.

Kahului 14, Lahainas 1.

Such was the result of last Sun-
days game of baseball between the
Kahului and Lahainas at Wells'
Park. That the victors had a
walkover was very evident and the
Lahainas will have to put up bet-
ter ball if they are to continue in
the league.

The Kahului team appeared in
natty uniforms, white pants and
red sweaters with the initials K.
A. C. neatly sewed on the breast.
They looked like winners from the
very start and were prepared to
meet a strong team from the other
side of the island.

As it was they were disappointed
for the team that came over was
even worse than the team that
played a practice game with the
Kahului a few weeks ago and
were very much in need of prac-
tice. In fact, there was no go
about them, and it seemed as if
they were forced into the game.
There were errors made by them in
every stage of the game.

The Kahului scored in every
inning but the sixth and seventh
when the Lahainas seemed to have
taken up a little courage, having
scored their first run in the sixth
inning.

Hampton of the Kahului then
undertook to pitch the eighth inning
for the Lahainas in order to im-
prove the game, but Simpson of the
Kahului scored his first run
on him.

The audience was greatly dis-
pleased at the kind of ball played
by the Lahainas and were loud in
their expressions of displeasure.

Tomorrow's game between the
Morning Stars and Waikapus pro-
mises to be of a much better na-
ture, as the two teams will meet
this league for the first time and
both have been hard at practice.

The Morning Stars will don
their old colors of black and white
while it is said that the Waikapus
will appear in blue. Both teams
have a good number of supporters
